Women of Character, Inc.

Women of Character, Inc. (W.O.C.) is a non-profit, Christian Leadership and Training Ministry for women. Women of Character, Inc. is committed to the development of women in leadership through biblical teachings, prayer, training, mentorship, and godly counsel. Women of Character, Inc. supports and empowers women to achieve their personal and spiritual goals, to help them to gain a new perspective about women in the bible, and learn leadership principles that can be applied to their everyday life. The butterfly is the symbol for Women of Character because we, as women of character are ready to spread our wings just like the butterfly and take flight. For such a time as this, we are called to be all that God has created, anointed, and appointed us to be. (*Reference Esther 4:14*) Women of Character, Inc., travels conducting seminars, conferences, and workshops.

Rev. Pamela Bolden-Carter, W.O.C. Developing Fishers of Men Ministry

Developing Fishers of Men is a Christian Leadership Ministry for both men and women. The ministry was developed to convey bible-based leadership principles that have application not only in the church environment, but also all four corners of a Christian’s life (*e.g., church, work, community, and home*). Developing Fishers of Men was created to teach four powerful principles that Jesus left for us; to aid in the development of godly men and women who are called to take on the responsibilities of a ‘Disciple-Leader’ in the Body of Christ (*Matthew 4:19*) as well be leaders in the world. This ministry is an outreach ministry created to deliver the word of God in different venues (*e.g., conferences, training seminars, workshops, colleges, etc.*) to speak on different issues that impact on the functionality of people in the Body of Christ. It is through the ministry of ‘Developing Fishers of Men’ that the Founder hopes to reach people and share with them what the Lord has imparted to him about what is godly leadership and integrity.

Rev. Steven Carter, Founder/Instructor of Developing Fishers of Men has his Master of Organizational Leadership from Philadelphia Biblical University, Langhorne, PA. For information about any upcoming seminar/conference planned for 2010, contact Rev. Steven L. Carter at Email: slc.fom@verizon.net or phone number (856) 294-7908.
